# Welcome to SUMMARTÓNAR 2018

*This year we celebrate the 27th Summartónar festival*

This year the Association of Faroese Composers (Felagið Føroysk Tónaskøld) celebrates the 27th Summartónar festival.

The majority of the programme is of Faroese music, performed by Faroese musicians. However, Summartónar is also an international event with visiting performers, composers, and song-writers from around the world: from Finland, Sweden, Denmark, Iceland, Norway, Russia, Belgium, USA, Scotland, Slovenia, Italy, Argentina, Germany, England, Japan, and Greenland.

There is also a new theme starting this year. Encouraged by artists in Norway, Sweden and Finland along the latitudes 62 to 63 degrees North (see <http://northciltitude6263.com>), the Association of Faroese Composers has invited artists from Greenland, Iceland, Finland, and Siberia who are based along the 62-63 latitudes – an idea to be explored even more in the future.

## A BRIEF HISTORY OF SUMMARTÓNAR

Beginning in 1984, Faroese composers started organizing concerts of their own music together with works by international composers. After establishing the Association of Faroese Composers (Felagið Føroysk Tónaskøld) in 1987, these concerts became

more regular, especially with the annual Spring Concert and a series of concerts over the summer in collaboration with the Listasavn Føroya. In 1991 a concert with works by several Faroese composers was presented at the St Magnus Festival in Orkney. After participating at a festival in a community comparable with the Faroe Islands, we decided to establish a similar festival the following year in the Faroes. We used the name Summartónar from the beginning and in 1992 15 concerts were held in Tórshavn, Kirkjubøur, and Runavík with compositions by Edvard Nyholm Debess, Alti K. Petersen, Pauli í Sandagerði, Heðin Meitil, Bjarni Restorff, Ólavur Jøkladal, H.J. Højgaard, Esmar Jacobsen, Sunleif Rasmussen, Kristian Blak, Richard Stanley, and Graeme Rudd in addition to classical repertoire.

Since these early years, the musical scene in the Faroes has gone from strength to strength and our festival reflects the diversity and creativity of today's musicians who bring Faroese music to the world and international music to the Faroes.

## WELCOME TO GJÁARGARÐUR

# *Live like a local*

IMAGINE a hotel, that doesn't feel like a hotel. Where you instantly find you're at home, and not a paying customer. Where you make friends with the staff and become part of the family. You have just pictured living at Gjáargarður.

Nestled between the high mountains, the drive alone makes it worth a visit. In the lush summer months you may feel like you're in the Austrian Alps – in the winter, you are struggling to make it through Mordor. Once you're there just feel yourself unwind.

This is Gjáargarður. We like to call it a Guesthouse. You will like to call it Home.
